

# Welcome to ProQuest Ebook Central™!

Here are some tips to help you get started:

1. **Go to ProQuest Ebook Central via your library website.**
2. **Search for books** by entering a keyword, ISBN, or other terms into the search box. Put quotes around exact keyword phrases such as “autism spectrum disorder”. Or try Advanced Search or Browse Subjects.
3. **Narrow search results** by publication year, subject, and other filters.
4. **Learn more about a book** by selecting a title or selecting  to view the table of contents, book availability for online reading and download, copy and print allowances, and bibliographic data.

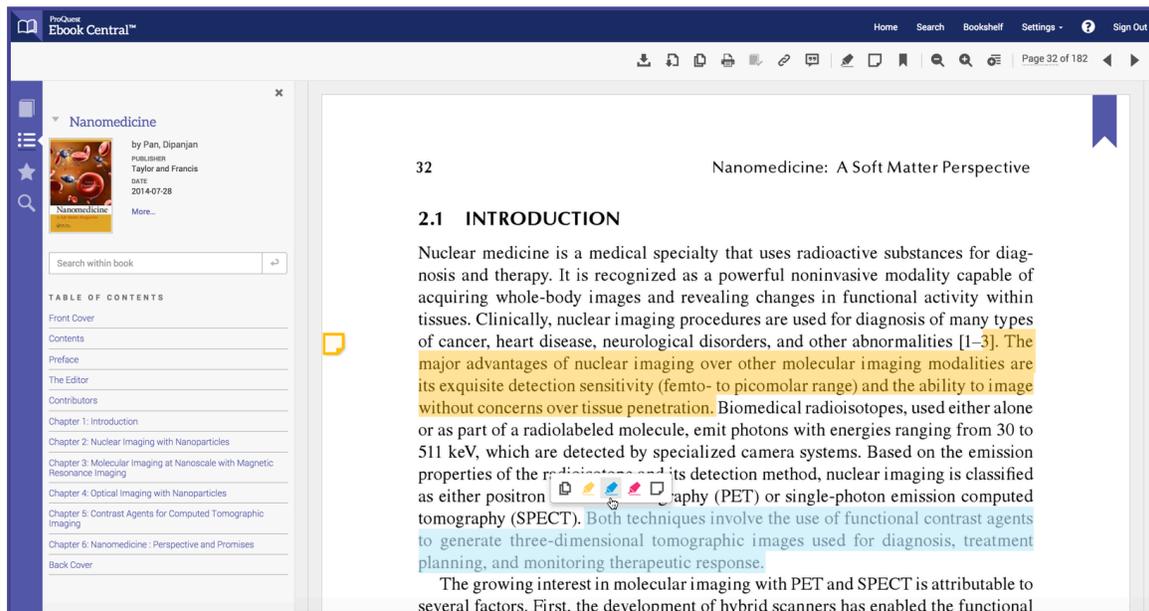

The screenshot shows the ProQuest Ebook Central interface. At the top, there is a search bar with the text "Keyword, Author, ISBN, and more" and a search button. To the right of the search bar are links for "Advanced Search" and "Browse Subjects". The ProQuest logo and "Ebook Central™" are visible in the top left. The main content area shows search results for "autism spectrum disorder". On the left, there is a "Refine your search" sidebar with filters for "YEAR PUBLISHED" (2014, 2013, 2011) and "SUBJECT" (Medicine, Social Science, Health, Business / Management, Education). The main results area shows "14 book results for autism spectrum disorder". Two results are visible: "My Parent has an Autism Spectrum Disorder" by Lester, Barbara (2011) and "Autism Spectrum Disorder and De-escalation Strategies" by Brown, Steve (2014). The search terms "Autism Spectrum Disorder" are highlighted in yellow in the book titles and descriptions. The interface also shows options for "Book Results" and "Chapter Results", "RESULTS PER PAGE" (10), and "SORT BY" (Relevance).

*Your search terms highlighted in Ebook Central search results*

5. **Open the book** to read, search for keywords within the book and jump to relevant chapters. Read by scrolling or flipping through pages.
6. **Create a citation** in your choice of format by selecting . Citations are also included when you copy and paste text, and print pages and chapters to PDF.

7. **Get a link to the page or chapter** by going to the specific page (or first page of the chapter) and selecting . Sharing this link with others brings them directly to the desired page.
8. **Annotate the book** by highlighting in 3 colors, bookmarking pages, and creating notes by selecting text and attaching a note. Review your Annotations by selecting .

*Your notes, bookmarks, and highlighted text in the Ebook Central reader*

9. In your Bookshelf you can **organize and share your research**. Share a book or entire folder of books with others, and export the notes you have taken in a book.
10. **Download the book or specific chapters** to use offline.
