#### Your profile

Your own personalized area:

#### Your marked lists

You can view, create and manage your marked lists on the marked list edit page.

#### **Digests and newsletters**

Sign up and manage your subscriptions on the digest and newsletter page. Emerald publishes weekly e-mail digest alerts containing summaries of journal issues published each week. We also have a selection of newsletters available on a range of subjects.

#### Table of contents alerts

Sign up and manage your alerts on the table of contents alerts page. Subscribe to the table of contents alerts for your chosen journals and the contents page will be e-mailed to you whenever the latest issue becomes available online.

# Your favourites

You can edit your favourites list on the favourites page. Save your preferred journals and books by clicking on the title. This will take you either to the latest issue for journals or to the volume list for books, where you can select: Add to Favourites.

#### Saved search alerts

Manage your alerts on the saved search alerts page. Searches will be automatically run and the results will be e-mailed to you.

# **Customer Support services**

# Search for

- Enter your word or phrase in search box under "Search for"
- Use the drop-down menu to specify the type of content for which you are searching
- Select "Go".

# Advanced search

- Select "Advanced search" on the left-hand menu
- Use the tabs on the top of the page to specify the type of content for which you are searching
- Enter your word or phrase in search box under "Search ٠ for"
- Refine your search by selecting the field in which you wish to search
- Select your search option from "All", "Any" or "Phrase": ٠
- All Searches on all words entered by the user.

# Example:

If the search is two words, then the results will contain both words, but not necessarily together

Any - Searches on any word(s) entered by the user.

### Example:

If the search is two words, then you will receive results for each individual word

Phrase - Searches on the exact phrase in the order in which it is entered.

# **Boolean operators**

Click on more options to access the Boolean operators:

- AND results contain all of the terms entered
- OR results contain any one of the terms entered
- NOT results contain one term but do not contain • another
- In addition you may limit your search by the year of ٠ publication
- To include "EarlyCite" and Backfiles, tick the relevant box ٠
- Select "Search"

# Tips on searching & browsing:

Selecting the "My Subscribed Content" option on Advanced Search or Browse returns only the results of the content to which you have full access.

When searching, try to avoid common words in isolation. For example, searching for "management" will return over 115,000 journal articles. Use more than one word where possible.

- Search results are organised by content type:
  - Journals
  - Books
  - Bibliographic databases
  - Site pages
- From your results page you can carry out a new search, modify your search or save your search (see Your Profile for information on saved searches).
